PLEASE TAKE NOTICE that there is an error with regard to one entity mistakenly named as a defendant on the docket report for this action. Though the docket reflects that one of the named defendants is "Juttana Management, Inc.," there is no actual defendant having this name in any summons or complaint filed by the Plaintiffs. It appears that the name of this entity mistakenly derived from a partial combination of the names of two other named defendants ("Kitlen Management Inc." and "Juttana Rimreartwate"). Accordingly, "Juttana Management, Inc." should not be designated as a defendant in this action and should be deleted from the docket report for this case.
